

Action 1:

To continue the review of the curriculum. To ensure that the planning and teaching reflects the skills and knowledge content of the National Curriculum and that the content of our curriculum continues to make the children inspired and motivated to learn (specific focus this year on D+T, Art and Gym and Dance).

Equality Scheme:

Equality Scheme To ensure our school remains a welcoming place to all children and stakeholders. Including those with additional needs and from a range of cultures.

Action 2:

To ensure that English and Maths standards remain strong. With a focus on assessment and identifying and addressing any gaps in the children's learning, due to school closures.
