NURSERY PROVISION

Our Nursery is held in high esteem and is part of our Ofsted Outstanding School.

We take all children who are four years old in the academic year beginning the first of September.

We offer flexible hours in the nursery to suit your needs. We work hard to ensure you are given the hours you request, however in the event of oversubscription of particular days or hours we will give preference to parents who need the times for work purposes and work with other parents to try to meet their requests in the best way possible.

The pattern of attendance can be a combination of any of the morning and/or lunch and/or afternoon sessions, on any days in a week. Children staying for a lunch session can bring a packed lunch from home or have a school meal.

Once you have been allocated your pattern of attendance we request that you continue with this for a term unless there are very exceptional circumstances.

The session times are:

Morning: 8.30-11.30am

Lunch: 11.30am –12.30pm

Afternoon: 12.30pm—3.30 pm

ADDITIONAL HOURS

You are entitled to 15 hours free provision. If you would like your child to attend for more than 15 hours you can request this (currently charged at £3.60 an hour). We will endeavor to meet your wishes or work with you find a compromise.

30 HOURS FREE CHILDCARE

From 2017 we will also be offering some 30 hours free childcare places. If these places are over subscribed we will use the criteria below to allocate places;

- Children Looked After/ Education Health Care Plan

Fair Play after school and holiday club will work with our nursery to offer 30 hours Free Childcare, sharing the hours between our nursery and Fair Play. Places will be offered at Fair Play on a first come first served basis.
