PTA News

Thank you to everyone who supported us in the summer raffle and refreshments on sports day. We raised £400 on the raffle and £84 on refreshments. This money will go forward and be spent on projects in school. We have recently bought new messy work aprons for the reception classes and all classes in the school, including the nursery, have had £75 each to spend on class resources for the coming year. Thank you for your ongoing support.

Museum Explorer Passport is back for 2017!

Museums in Hertfordshire and Bedfordshire have teamed up to offer a free passport for children and families to take part in a series of challenges and free craft activities. Children will get a stamp for each challenge they complete which goes towards an Arts Award Discover qualification and certificate. This award provides a great introduction to the arts and to other Arts Award levels. The passport has been created with the aim of encouraging families to visit museums and show them how many great museums there are on their doorstep, providing a range of fantastic, affordable activities during the holidays. You can collect your free passport from any participating Museum in the two counties and more information is available at
