

Autumn 3 - Newsletter - 18/09/2025

Message from Mrs Sherwood

Parents and carers are reminded that any photographs or videos that they may take at school, which includes any events that take place, should only be of your child and not include any other children or the surrounding area. Photographs and videos that are taken by parents and carers, should NOT be shared on social media or outside of your family, this is because some of our children are very vulnerable. If we are made aware of any photographs or videos that have been shared on social media, we will ask that they are removed.

Some schools have introduced a no photograph and filming policy, which means parents/carers are not allowed to take photographs or videos of their children at school at all, we do not want to have to do the same! Please be considerate of the reasons why we are asking you to do this.

Message from the Teaching Assistants!

Please help us to help your children by naming all of their uniform and belongings. A number of children have lost items already and although we do our very best to return misplaced items to the correct children, if they are not named it makes the task even trickier. Thank you.

FREE SCHOOL MEALS – ARE YOU ELIGIBLE?

If you are in receipt of qualifying benefits and have not yet registered for Free School Meals, or wish to check your eligibility please register online at [Free school meals | Hertfordshire County Council](#)

Even if your child currently receives universal free meals in Reception to Year 2 you should still complete the application as other education benefits will be automatically registered. Registering for FSM could result in extra funding coming into school to support learning and additional activities for all pupils, which the school might not otherwise be able to afford. It really makes a difference to our budget and thus to your children's learning opportunities.

Please be assured that the whole process is confidential and there is no way for your child to be identified when having their free lunch. Please use the eligibility checker link above or contact Sue Barrett or Sarah Childs in the office and they will support you.

Help us with reading - Meeting on 24th September

We actively encourage parents, carers, grandparents and other volunteers to come and hear children read in school. This means that children are reading more frequently and getting more practise. Our reading helpers report that it is wonderful to see the progress the children make. At 3.00pm on 24th September, Mrs White will be holding a meeting in school for reading volunteers. This meeting will be a refresher for those who have read with children before and an introduction for those who are interested in volunteering. Mrs White will speak briefly about how to hear children read in school and how to safeguard the children. All volunteers need a school DBS check; the office staff will help you to apply for one. Please come to the training session if you can.

Year 4s moving on from Ickniel Walk First School

King James Academy, Royston will be holding their open event on Thursday 25th September - to book to attend, please use the following link: [Open Events Booking Form](#) or contact KJAR primary site direct.

Dear Parent/Guardian

Back to school vaccination reminder & important public health advice.

As you begin the autumn term, we would like to remind you of some important things you can do for your children to protect them and others from illness this winter.

- If you have children starting school this September and they have missed their pre-school booster vaccinations, please speak to your GP surgery to arrange an appointment. It's not too late to catch up! Vaccines remain our best defence against serious and life-threatening diseases; they are safe and are free on the NHS.
- Teach your children to wash their hands using soap and water. Especially encourage this after they have used the toilet and before they eat. This will help to prevent them from getting sickness and diarrhoea bugs and stop them spreading illnesses to others. Remember if they do get the sickness and diarrhoea bug they must not go back to school until 48 hours after symptoms have stopped.
- Please take up your child's offer of a flu vaccination this year and complete the consent form when it is sent out. Flu can be serious for children of all ages but particularly for those under 5. Vaccination helps protect against complications like pneumonia and painful ear infections as well as reducing the risk of needing to go to hospital. Vaccinating your child also helps protect others in your family like grandparents or those with long-term health conditions.

Thank you for taking these small steps to keep your child and everyone around you healthy this winter. If you would like to know more please visit:

<https://www.hwehealthiertogether.nhs.uk/parentscarers/keeping-your-child-safe-and-healthy>

Yours sincerely

Individual and Sibling portrait photographs

Individual and Sibling portrait photographs will be taken by Carmel Jane Photography on Friday 3rd October throughout the school day. All children should wear their school uniform; hair accessories should be school colours and kept minimal.

Nursery children who attend on a Friday will be photographed during their nursery day and nursery children who do not attend on a Friday are invited to pop in to have their photograph taken wearing their school uniform, either in the morning at 9.30am or during the afternoon at 1.10pm. Nursery children with siblings in the school will be photographed with their sibling if the nursery child attends either of the photography sessions. Please inform Miss Pinner what session your child will be attending. Please note that if your child does not attend Nursery on a Friday, they can only come in for the photography session and not attend a full nursery session.

All children with siblings who attend Icknield Walk First School will be photographed both together and individually.

Smartphone Free Childhood Parents' Group

Please see the message from the Smartphone Free Childhood parents group:

We have had **120 responses** so far and we would love to hear from more parents. The survey closes on 24th September, and the parent group will send out the results (via the school office) as soon as possible after that.

At the end of last year, the school sent out communication on how best to support our children around smartphone and social media use, inspired by the work of the [Smartphone Free Childhood](#) (SFC) grassroots movement. Some of our parents have since then set up a WhatsApp group to discuss this topic.

The SFC parents' group would like to find out more about your views on this topic. Please find the link to a **short, anonymous survey**. The group note that it will only take five minutes to fill it in and that it would really help them better understand the issues involved. Please fill it in if you can.
