Health and Safety Procedures

Administration of Medications - please see whole school medicine policy.

After dropping your child at Breakfast Club, please take any medication to the main school office and fill in a medicine form.

Children who self-administer medication such as inhalers must keep one in their bag. Breakfast Club staff to be informed by parent of this.

The Rise and Shine Breakfast Club cannot admit children who have suffered sickness or diarrhoea within the previous 48 hours.

Child Protection Policy

The Rise and Shine Breakfast Club follow the main school's child protection policy.

The first responsibility of the staff is the well-being of any child and staff will take action where concerns exist.

Behaviour

At the club we are committed to providing high quality child care in a relaxed environment.

To maintain this we do expect all children to behave well and therefore, consider it necessary to have a clear code of conduct which is to be followed by everyone at the club.

1. We praise and reward positive behaviour.
2. We encourage children to respect each other and their achievements.
3. Inappropriate behaviour is challenged and discussed with the child.
4. Discussion with parents and carers can be an important part of dealing with a child's inappropriate behaviour.
5. Children and staff are treated with respect and care.

At The Rise and Shine Breakfast Club we expect everyone to follow the club code of conduct which is regularly reviewed with the children.

- Should an incident of inappropriate behaviour occur, a member of breakfast club staff will talk to the child or children, and may suggest they think of alternative activities or if necessary sit out for a while to calm down.
- Following a significant incident or repeated incidents of inappropriate behaviour, the head teacher will be informed and school behaviour policy followed.
- Parents and carers will be involved if the above procedures fail to stop the inappropriate behaviour.
- The head teacher has the authority to suspend a child from the club and may at her discretion, contact the parents or carers and request that they come immediately to the breakfast club to withdraw their child.
- Parents and carers may appeal to the head teacher and governors, whose decision is final.

Complaints Procedure

The Rise and Shine Breakfast Club welcomes all kinds of feedback. If a member of staff or parent has a complaint they should:

1. Speak to Mrs Reeder (we hope the complaint can be resolved at this stage).
2. Speak to the Head Teacher.
3. Follow the schools complaints procedure.
