	• Number – Beat	
Trips	Walk around local area Carol concert at church	
Role Play	Houses 3 little pigs Cottage	Toy hospital (Courtyard and Role Play) Santa's workshop
Events		Theatre group – The Magical Toy Museum Christmas Play

**Ickniel Walk First School**  
**Year 1 Long Term Planning – Spring Term**

Topic	Super Heroes	Nature, nature everywhere!
English	<p><b><u>Writing focus (Narrative)</u></b></p> <ul style="list-style-type: none"> <li>• Making a Superhero comic strip about Traction Man.</li> </ul> <p><b><u>Writing and speaking focus (Non-fiction)</u></b></p> <ul style="list-style-type: none"> <li>• Using sequencing language based on making and writing instructions for a 'super smoothie'.</li> </ul> <p><b><u>Spoken Language</u></b></p> <ul style="list-style-type: none"> <li>• Listening and Responding – conjunctions and adverbs.</li> <li>• Vocabulary – sequencing language.</li> <li>• Using hot seating based on Traction man.</li> </ul> <p><b><u>SPAG</u></b></p> <ul style="list-style-type: none"> <li>• Using onomatopoeia, exclamation marks and speech bubbles.</li> <li>• Continue to develop the use of conjunctions.</li> <li>• Using adjectives.</li> </ul>	<p><b><u>Writing focus (Narrative)</u></b></p> <ul style="list-style-type: none"> <li>• Diary writing based on Percy the Park Keeper.</li> <li>• Create a story map to retell Percy the Park Keeper.</li> </ul> <p><b><u>Writing and speaking focus (Non-fiction)</u></b></p> <ul style="list-style-type: none"> <li>• Orally rehearsing and presenting reports based on animals.</li> </ul> <p><b><u>Spoken Language</u></b></p> <ul style="list-style-type: none"> <li>• Questioning – animal sorting</li> <li>• Oral Rehearsal/Presenting</li> <li>• Hot seating and freeze frames.</li> </ul> <p><b><u>SPAG</u></b></p> <ul style="list-style-type: none"> <li>• Sequencing sentences to form short narrative.</li> <li>• Introduction to question marks and exclamation marks to demarcate sentences.</li> </ul>
Mathematics	See end document for overview of mathematics in Y1	
Science	<p><b><u>Parts of plants</u></b></p> <ul style="list-style-type: none"> <li>• Using our senses to investigate fruit and vegetables</li> <li>• Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees</li> <li>• Identify and describe the basic structure of a variety of common flowering plants, including trees</li> <li>• Investigation: To identify the part of the plant we eat</li> <li>• Observing fruit and vegetables closely</li> <li>• Gathers and records simple data to help answer a question</li> <li>• Observing the growth of a <b>sunflower</b> over time</li> </ul> <p><b><u>Seasonal changes</u></b></p> <ul style="list-style-type: none"> <li>• Observing changes in nature across the four seasons</li> <li>• Observe and describe weather associated with the four seasons and how day length varies</li> </ul>	

Computing	<p><b><u>Creating Media – Digital writing</u></b></p> <p>During this unit, learners will develop their understanding of the various aspects of using a computer to create and manipulate text. Learners will become more familiar with using a keyboard and mouse to enter and remove text. Learners will also consider how to change the look of their text, and will be able to justify their reasoning in making these changes. Finally, learners will consider the differences between using a computer to create text, and writing text on paper. They will be able to explain which method they prefer and explain their reasoning for choosing this.</p>	<p><b><u>Grouping data</u></b></p> <p>This unit introduces pupils to data and information. Labelling, grouping, and searching are important aspects of data and information. Searching is a common operation in many applications, and requires an understanding that to search data, it must have labels. This unit of work focuses on assigning data (images) with different labels in order to demonstrate how computers are able to group and present data. Pupils will begin by using labels to put objects into groups, and labelling these groups. They will demonstrate that they can count a small number of objects, before and after the objects are grouped. Pupils will then begin to demonstrate their ability to sort objects into different groups, based on the properties they choose. Finally, pupils will use their ability to sort objects into different groups to answer questions about data.</p>
History	<p><b><u>Superheros</u></b></p> <ul style="list-style-type: none"> <li>• The lives of significant individuals in the past and compare life in different periods.</li> <li>• Explore superheroes in our everyday lives (our heroes, real life superheroes, Queen Elizabeth II and her work during WW2 and King Charles III).</li> </ul>	N/A this term
Geography	N/A this term	<p><b><u>Nature, Nature Everywhere!</u></b></p> <ul style="list-style-type: none"> <li>• Identifying the seasonal weather patterns within the United Kingdom.</li> <li>• Fieldwork – Designing and creating a Year 1 garden area and looking after it.</li> <li>• Fieldwork – Observing the seasons throughout the year.</li> </ul>

Art	<p><b><u>Famous artists and Drawing</u></b></p> <ul style="list-style-type: none"> <li>• Explore the work of Andy Warhol.</li> <li>• Make links to famous artists and their own work.</li> <li>• Extending use of variety of different drawing tools such as pencil, oil pastels and IT software to create a repeating image of the Queen.</li> </ul>	<p><b><u>Drawing</u></b></p> <ul style="list-style-type: none"> <li>• Observational sketching of fruit and vegetables.</li> <li>• Experiment with a variety of media (chalk, pencils, charcoal and crayons).</li> <li>• Begin to investigate tone and shade by drawing lighter/darker marks.</li> <li>• Draw on different surfaces with a range of media.</li> <li>• Name, match and draw lines and shapes from observations</li> <li>• Investigate textures by naming, describing, rubbing and copying.</li> </ul>
D&T	<p><b><u>To design, make and evaluate a vehicle for a superhero</u></b></p> <ul style="list-style-type: none"> <li>• Explore and use mechanisms in products.</li> <li>• To evaluate existing products with wheels and axels.</li> <li>• Talk about and start to understand the simple working characteristics of materials and components.</li> <li>• To use a range of equipment and tools to perform practical tasks such as cutting shaping, joining and finishing.</li> </ul>	<p><b><u>To design, make and evaluate a fruit salad</u></b></p> <ul style="list-style-type: none"> <li>• With support, follow a simple plan.</li> <li>• To be able to cut and measure ingredients.</li> <li>• Begin to select from a range of hand tools and equipment.</li> <li>• Learn to use kitchen equipment and hand tools safely and hygienically.</li> <li>• To know that food comes from plants or animals.</li> <li>• To know that it is important to eat at least five portions of fruit and vegetables and explain why.</li> </ul>
PE	<p><b><u>Dance</u></b></p> <ul style="list-style-type: none"> <li>• To create, perform and share short dances</li> <li>• To create controlled movements</li> <li>• To create a sequence of movements</li> <li>• To create dances using a range of shapes, actions and dynamics and clear starting and finishing positions.</li> <li>• To control and co-ordinate bodies</li> </ul> <p><b><u>Multi-skills</u></b></p> <ul style="list-style-type: none"> <li>• To practise agility, balance and coordination skills.</li> </ul>	<p><b><u>Multi-skills</u></b></p> <ul style="list-style-type: none"> <li>• To practise agility, balance and coordination skills.</li> <li>• Tennis games – Sports Partnership Professional Coach.</li> </ul> <p><b><u>Outdoor games</u></b></p> <ul style="list-style-type: none"> <li>• Football (dribbling skills, kicking and controlling the ball and movement).</li> <li>• Small team games</li> </ul>

Mathematics	See end document for overview of mathematics in Y1	
Science	<p><b><u>Seasonal changes</u></b></p> <ul style="list-style-type: none"> <li>• <b>Investigation</b> – To investigate how much rain falls in a week and whether this is what is expected for the time of the year</li> </ul> <p><b><u>Animals including humans</u></b></p> <ul style="list-style-type: none"> <li>• Observation of a real life fish</li> <li>• Describe and compare the structure of a variety of common animals, fish, amphibians, reptiles, birds and mammals (including pets)</li> <li>• Identify and name a variety of common animals that are carnivores, herbivores and omnivores</li> </ul>	

Computing	<p><b>Programming A – Moving a robot</b>  This unit introduces learners to early programming concepts. Learners will explore using individual commands, both with other learners and as part of a computer program. They will identify what each floor robot command does and use that knowledge to start predicting the outcome of programs. The unit is paced to ensure time is spent on all aspects of programming and builds knowledge in a structured manner. Learners are also introduced to the early stages of program design through the introduction of algorithms.</p>	<p><b>Programming B – Introduction to animation</b>  This unit introduces learners to on screen programming through Scratch. Learners will explore the way a project looks by investigating sprites and backgrounds. They will use programming blocks to use, modify and create programs. Learners are also introduced to the early stages of program design through the introduction of algorithms.</p>
History	<p><b><u>Seaside holidays in the past</u></b></p> <ul style="list-style-type: none"> <li>• How to find out about the past from range of sources of information.</li> <li>• To ask and answer questions about the past.</li> <li>• Comparing seaside holidays now and in the past.</li> </ul> <p><b><u>Grace Darling</u></b></p> <ul style="list-style-type: none"> <li>• The lives of significant men, women and children from the history of Britain – Grace Darling/RNLI</li> </ul>	
Geography	<p><b><u>Features of the seaside, simple map skills</u></b></p> <ul style="list-style-type: none"> <li>• Make observations about where things are located and about other features in the environment</li> <li>• Looking at key physical features of a seaside (including cliff, coast, beach, harbour, port), making a simple map and use/construct a simple key.</li> <li>• Using geographical vocabulary to refer to key seaside features.</li> <li>• Identify coastal areas around the UK.</li> <li>• <b>Field work</b> – Locating features of a seaside at South End.</li> </ul>	

Art	<p><b><u>Painting</u></b></p> <ul style="list-style-type: none"> <li>• To look at a painting of the Grace Darling rescue.</li> <li>• Use different types of paint (watercolour) to make true life representations.</li> <li>• Identify primary and secondary colours by name and know how to make secondary independently.</li> <li>• Match colours to artefacts and objects.</li> <li>• Experiment with different sizes and types of brushes to create different effects and techniques.</li> </ul>	<p><b><u>Collage</u></b></p> <ul style="list-style-type: none"> <li>• Experiment with creating art from a variety of media (cotton wool, buttons, beads, fabrics, sequins).</li> <li>• Sort and group materials for different purposes e.g. colour, texture, symmetry and shape.</li> <li>• Describe different textures.</li> <li>• Begin to fold, crumple and tear paper.</li> <li>• Work on different scales.</li> <li>• Begin to create textured paint by adding sand.</li> </ul>
D&T	<p><b><u>To design, make and evaluate sock puppets</u></b></p> <ul style="list-style-type: none"> <li>• To select from and use a wide range of materials and components such as textiles, according to their characteristics.</li> <li>• To evaluate existing puppets.</li> <li>• To use a range of equipment and tools to perform practical tasks such as cutting shaping, joining and finishing.</li> </ul>	
PE	<p><b><u>Dance</u></b></p> <ul style="list-style-type: none"> <li>• Create, perform and share short dances based on the story ‘Fidgety Fish’ by Ruth Galloway.</li> <li>• Create dances with a clear start and finish, and a range of shapes and actions in the middle.</li> </ul> <p><b><u>Outdoor games</u></b></p> <ul style="list-style-type: none"> <li>• Golf – Sports partnership – Professional Coach</li> <li>• To practise striking and fielding.</li> <li>• To practise bat and ball skills.</li> </ul>	<p><b><u>Outdoor Games</u></b></p> <ul style="list-style-type: none"> <li>• Cricket and kick rounders</li> <li>• Revisit skills learnt to get ready for sports day.</li> <li>• To practise running, throwing and jumping skills.</li> <li>• To play field games.</li> </ul>
RE	<p><b><u>Worship and Reflection</u></b></p> <ul style="list-style-type: none"> <li>• Special books.</li> <li>• The Bible.</li> <li>• The Qur’an</li> <li>• What stories are important to different religious groups?</li> </ul> <p><b><u>Big Questions</u></b></p> <ul style="list-style-type: none"> <li>• Who am I?</li> <li>• Where do I belong?</li> <li>• Where is God?</li> <li>• Why is Jesus so important?</li> <li>• Who made the world?</li> </ul>	

PSHE

**Physical Health and Mental Wellbeing**

Keeping healthy; food and exercise, hygiene routines; sun safety

**Growing and Changing**

Recognising what makes them unique and special; feelings; managing when things go wrong

**Keeping Safe**

How rules and age restrictions help us; keeping safe online; seaside safety

Events	N/A	N/A

## Spelling, Punctuation and Grammar (SPAG)

Where this will be incorporated as part of a literacy unit it is indicated in the termly plans above.

In addition, this year we will cover in specific grammar lessons the following:

- Regular plural noun suffixes - s or -es (for example dog/dogs; wish/wishes), including the effects of these suffixes on the meaning of the noun.
- How the prefix un- changes the meaning of verbs and adjectives (e.g. unkind, undoing, untie).
- Suffixes that can be added to verbs where no change is needed in the spelling of root words (e.g. helping, helped, helper)
- How words can combine to make sentences.
- Joining words and joining sentences using 'and'.
- Sequencing sentences to form short narratives.
- Separation of words with spaces.
- Introduction to capital letters, full stops, question marks and exclamation marks to demarcate sentences.
- Capital letters for names and for the personal pronoun I.
- Terminology the children will learn: letter, capital letter, word, singular, plural, sentence, punctuation, full stop, question mark, exclamation mark.

# The Year 1 Learner

## Working mathematically

By the end of year 1, children begin to solve simple problems involving addition and subtraction in familiar contexts such as going shopping, using a range of hands-on equipment, symbols, images and pictures. They begin to use what they know to tackle problems that are more complex and provide simple reasons for their opinions.

## Number

- **Counting and understanding numbers**

Children will identify and represent numbers using objects, pictures and models, such as the number line, and use 'equal to, more than, less than (fewer), most and least.' Children will accurately count numbers to, and across, 100 forwards and backwards from any given number with increasing understanding. They count, read, write and order numbers in numerals up to 100 and from 1 to 20 in words. When given a number, they can identify one more and one less. They can count in multiples of twos, fives and tens.

- **Calculating**

Children will understand known addition and subtraction facts within 20, including zero. They will demonstrate an understanding of multiplication and division through grouping and sharing using hands-on resources, pictorial representations and arrays (2, 5 and 10). They understand doubling and halving small quantities.

- **Fractions**

Through play and hands-on resources, children will find and name half and one quarter of objects, shapes and quantities.

## Measurement

Children will begin to measure using non-standard units (finger widths, blocks etc.) moving to standard units of measure (e.g. cm) using tools such as a ruler, weighing scales and containers. They will begin to record and compare measurements such as lengths and heights, mass and weight, capacity and volume using language such as long / short; heavy / light; full / half-full / empty. They will tell the time to the hour, half past the hour and be able to sequence events in chronological order using precise language (for example, before and after, next, first, today etc.). Children will recognise and know the value of different denominations of coins and notes.

## **Geometry**

Children will recognise and name common 2-D shapes, e.g. rectangles (including squares), circles and triangles, and 3-D shapes, e.g. cuboids (including cubes, pyramids and spheres) in different orientations and sizes. They will describe position, direction and movement, including whole, half and three quarter turns.

## **Statistics**

In preparation for year 2, children will begin to compare, sort and classify information, including through cross curricular links e.g. science - sorting materials into groups according to their properties. They will also begin to construct simple pictograms and tables.
